11.Significant contributions made by IQAC during the current year (maximum five bullets)		
The Internal Quality and Standards Enhancement (IQSE) cell played a pivotal role in strengthening academic excellence, teacher training, and student empowerment during the academic year 2024-205. The following major initiatives and activities were carried out under its guidance: 1. Academic Orientation and Student Induction - The academic year commenced with the celebration of "Pravesh Utsav", warmly welcoming new students, faculty, and stakeholders. - A detailed syllabus orientation for Semester 1 students was conducted, introducing students to B.Ed. course objectives, curriculum structure, evaluation processes, and pedagogical expectations. 2. Internship Orientation and Professional Readiness (Sem 3) - IQSE organized a comprehensive Internship Orientation Program for Semester 3, offering clear guidelines on school engagement, lesson planning, reflective practices, peer observation, and assessment protocols. - Mock teaching, micro-teaching sessions, and group discussions were arranged to prepare students for real-time classroom challenges. 3. Wellness and Holistic Development Initiatives - Special sessions on Yoga and Guided Meditation were		

conducted throughout the year to promote mental wellness, emotional stability, and self-awareness among students and staff.

- These sessions were facilitated by certified trainers and spiritually aligned educators, aligning with the vision of holistic teacher development.

4. Innovative Teaching-Learning Practices

IQSE actively promoted innovative pedagogical strategies among teaching staff. Various modern and creative methods were integrated into classroom teaching, including:

- Use of ICT Tools (Smart Boards, Multimedia Presentations, Google Classroom, etc.)

- Role Plays, Skits, and Simulation Lessons

- Brainstorming Sessions and Collaborative Learning Activities

- Project-Based Learning and Problem-Solving Approaches

- Storytelling for Language and Value Education

- Case Studies and Scenario-Based Teaching

- Blended Learning Techniques and flipped classroom models

5. Skill Development Workshops and Seminars

- IQSE facilitated expert-led workshops on topics like lesson planning, classroom management, inclusive education, NEP 2020 awareness, and Bloom's Taxonomy.

- Life skills sessions and career guidance seminars were also conducted to prepare students for competitive exams and teaching positions in various educational sectors.

6. Assessment and Feedback Mechanism

- IQSE ensured regular feedback was taken from students on teaching effectiveness and learning satisfaction.

- Continuous Internal Evaluation (CIE), surprise class tests, presentations, and reflective journals were encouraged to assess students' progress dynamically.

7. Cultural, Environmental, and Community Outreach Activities

- IQSE supported faculty and students in organizing festivals, eco-awareness drives, community visits, and swachhata activities in alignment with value-based teacher education.

15. Multidisciplinary / interdisciplinary

Our institute Smt. B.C.J. College of Education, Khambhat is oldest, established in 1968. Its vision, mission and objectives we have already mentioned in part A, NEP 2020 keeping in mind at present our professors and principal are studying it for Education College, part. Policy Emphasis and Expansion

- The National Education Policy (NEP) 2020 in India continues to drive reform towards *multidisciplinary* and *interdisciplinary* education.

1- Colleges and universities are increasingly encouraged to dismantle traditional subject silos, integrating humanities, arts, sciences, and vocational courses to foster broad-based learning and holistic development.

2. Flexible and Holistic Curriculum*

- New educational frameworks emphasize allowing students to choose diverse subjects across disciplines, such as mathematics with psychology or arts with science, providing more autonomy and flexibility in designing their learning pathways. The curriculum is designed to balance specialization and breadth of knowledge, promoting both depth in a chosen field and exposure to other areas.

3. Collaboration and Teaching Trends

- Colleges are adopting collaborative teaching approaches, where faculty from different fields jointly design and deliver courses. Team-teaching and cross-departmental collaborations are becoming standard, especially in problem-based and research-centered learning environments. This is facilitated by advances in technology and increased institutional support.

4. Technological Integration

- Digital platforms and e-learning (such as SWAYAM) are making multidisciplinary courses accessible to a larger number of students, breaking down barriers between disciplines and institutions. Technology is also driving new fields at the intersection of disciplines, like data science, environmental studies, and artificial intelligence.

5. Research and Innovation

- Multidisciplinary and interdisciplinary research is on the rise, with funding agencies prioritizing collaborative research projects tackling complex societal issues such as climate change, public health, and technological innovation. The culture of academic research is shifting towards team-based, cross-field innovation.

16.Academic bank of credits (ABC):

The Academic Bank of Credit referred to as ABC in short, is a virtual mechanism that will deal with the credits earned by students of Higher Education Institutes in India and which are recognised by the University Grants Commission (UGC). As the college is affiliated to [Sardar Patel University V.V. Nagar](#) and is expected to follow the norms of the University thereby cannot adopt the ABC system , however, is seeking an opportunity of converting the existing certificate courses/Value added courses into academic credit programmes (academic bank of credits) and henceforth working on the process of meeting the eligibility requirements so as to register with Academic Bank of credits.

17.Skill development:

Before the commencement of regular classes, students (new entrants) are given a coherent understanding of different Teacher Education programme (B.Ed.) running in the institution through induction programme. During this programme, students are oriented towards the objectives and activities of teacher education programmes to be undertaken during the session. An Entry-level Assessment to generate baseline data of the students.New entrants are made aware of Programme and Course Learning Outcomes. Visits to library are made mandatory for each and every student so that they get familiarize with the print as well as e-resources available in the library.

Beside this, students are also made aware of culture, rules and regulations of the institution. The institution guarantees to enable the students to acquire the knowledge and the skills for different levels of school education through innovative techniques and handsome experience such as internship, field engagement, field trips, laboratory work, etc. Faculty of the college uses different strategies and techniques like demonstrations, seminars, brainstorming, group discussions, PowerPoint presentations and use of audio and video weblinks for clarity and understanding of each subject prescribed in the curriculum. These strategies further chisel their skills of teaching during internship programme. Not only knowledge of the curriculum as prescribed by the affiliating university is provided but also value-added courses also equip the prospective teacher with skills as per the needs of the schools. Learnt knowledge is of no use until it is applied for the welfare of the society. The skill development of the students is done through exposing the students to theoretical as well as practical aspect of teaching skills via micro and macro teaching practice. Acquired knowledge and competency is practiced by the students during school internship and field engagement activities.. Students are given opportunities to apply learnt knowledge to real life situations through participation in team-work activities and various competitions organized at different levels.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The college envisages to produce quality teachers and to serve as a podium for establishing a society based on ethics and excellence, marches with a mission statement of Humility of mind, Mellowness of thoughts. Qualitative teacher education is transacted through varied subjects. Practical knowledge on Tools of Assessment, tests, checklist, rating scale, cumulative record, questionnaire, inventory, schedule, anecdotal record, helps student teachers to gather data for internship, project and action research through curriculum of Assessment for Learning.

- Digital and Multilingual Approach:

- The use of Indian languages in teaching IKS has expanded, along with content made available in regional and classical languages.
- High-quality online courses and micro-credentials are accessible via SWAYAM and institutional platforms.

- *Teacher Qualification Improvements:

- Teacher training qualifications have improved, but some gaps remain in the effective, widespread delivery of IKS content.

- *Student Engagement*:

- Students are routinely sent for observation, internships, and direct interaction with mentors and experts in various Indian knowledge domains.

- There is a systemic push for integrating modern and heritage practices for holistic teacher formation.

Students are sent to observe and interact with students and teachers to understand the details of school functioning in different schools for school induction programme. Continuous mentoring, Comprehensive evaluation ,flexibility in teaching using varied mediums, Learning Enhancement and Enrichment,Remedial programmes, blended mode of teaching.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The teachers at SMT BCJCE guide students through learning with scaffolded and hands-on activities to support student engagement with new material and encourage the application of developing knowledge and skills. Learning OBE is enhancing every teacher educator as well as students to think critically, and perform as per their capacity and focus on outcomes. The teachers enhance the curriculum and empower students to take more responsibility for their own learning. SMT BCJCE prepares a detailed calendar of teaching, learning and evaluation, integrating the co-curricular and extracurricular engagements as envisioned under the Engaged Competence Enhancement (ECE) paradigm. A good number of courses in all our programmes incorporate topics such as Professional Ethics, Gender, Human Values, Environment and Sustainability.

20.Distance education/online education:

Teachers extensively use ICT online conferencing platforms, teaching, documentation, and editing tools and google workspace for effective teaching, ICT integration is optimally used in delivering lessons, preparation of ICT based lesson plans, preparation of assignments, seminars, attempting online quiz, exposure to usage of smart board/interactive board/recording room. Majority of the Teachers have already completed online courses on Open Educational resources and mooc courses.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

ALL Teachers are use ICT (Information and Communication Technology) enabled tools to enhance the effectiveness of the teaching-learning process. These tools include projectors, smart boards, educational apps,

online platforms (like Google Classroom, Zoom, or Microsoft Teams), and multimedia content such as videos, animations, and simulations. ICT makes lessons more interactive, engaging, and accessible to students with diverse learning styles.

With ICT, teachers can present complex concepts visually and dynamically, helping students understand and retain information better. It also enables blended and flipped classrooms, where students learn at their own pace through online materials and use classroom time for discussions and clarifications. Assessment tools like quizzes, polls, and learning analytics help track student progress and provide timely feedback.

Moreover, ICT fosters collaboration through discussion forums, shared documents, and virtual group work. It breaks geographical barriers, offering access to global resources and experts. In rural or under-resourced areas, ICT can bridge educational gaps through digital content and e-learning platforms.

Overall, ICT-enabled tools transform traditional classrooms into dynamic learning environments that promote creativity, critical thinking, and continuous engagement.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Adhering to our motto "Simple living & high thinking" and aiming to provide holistic development to the students, SMT. B.C.J. COLLEGE OF EDUCATION, KHAMBHAT. not only provides opportunities for academic learning but Also nurture social, emotional and ethical learning. This makes our students stand out as responsible citizens in the challenging, competitive and complex world. In our association with the young generation, to achieve this and to empower them while giving an insight the rural boys and girls are motivated to achieve education despite of a number of hurdles they face. This idea was accompanied by the idea of women empowerment and education for those females who were residing in remote areas and were unable to get

education due to unavailability of transport.

The management of the college decided to provide bus service only for girls on several routes and farthest villages. While giving an insight to empowerment the institute also helps in imparting sports skill training to the rural vicinity of Sudhar. In general, it is a team work of students and teachers divided into various areas that put up a spectacular show which is always supported by the management and the alumni.

7.3.2 - Plan of action for the next academic year

The first and foremost agenda will always remain to continue serving the nation by providing affordable quality education and producing well educated and employable citizens with high moral and humanitarian values. To contribute to the national goals set by the Centre as well as State Governments to promote the research and development among young minds, we are keenly working towards setting up a research facility in the college. Our research cell is actively working to actualize the plans in the near future.

The IQAC will continue to give special attention to promote the use of Information Technology in departments and encourage faculty member to use ICT tools such as smart class rooms, LMS etc.
